Alternative Health Coverage Options

Below are additional websites to find alternative health coverage:

1. Keep in mind that there may be other health coverage alternatives that may be available to you through the Health Insurance Marketplace at www.HealthCare.gov or by calling 1-800-318-2596. You may be able to get coverage through the Health Insurance Marketplace that costs less than COBRA continuation coverage
2. NJ Family Care – <http://www.njfamilycare.org/> or call 1-800-701-0710 New Jersey's publicly funded health insurance program - includes CHIP, Medicaid and Medicaid expansion populations. That means qualified NJ residents of any age may be eligible for free or low-cost healthcare coverage that covers doctor visits, prescriptions, vision, dental care, mental health and substance use services, and even hospitalization.
3. Individuals ineligible for NJ Family Care can find information on other insurance affordability programs at www.getcovered.nj.gov.
