## Who Is Accredo

Accredo is Express Scripts specialty pharmacy that serves patients with complex and chronic health conditions, including cancer, hepatitis C, HIV, bleeding disorders and multiple sclerosis.

**Your specialty medications must be filled through Accredo. They understand the complexity of these conditions and treatments. Their specialty-trained pharmacists and nurses are available to provide personalized care to patients.** Through Accredo's 15 condition-specific Therapeutic Resource Centers (TRC) they deliver a level of expertise and care that is unmatched.

Their clinical model, centered around the TRCs, allows them to provide patients with the resources they need to manage their condition, including:

- Access to 500 specialty-trained pharmacists on the phone
- Access to 550 specialty-trained infusion nurses that meet patients face-to-face in their homes
- Nutrition support for oncology patients
- Therapy management programs to protect patient health and safety
- Complete coordination of care between the medical benefit, pharmacy benefit and physicians
- Safe, prompt delivery of medications, including training on administration of the medication

They are equipped to provide patients, physicians and payers with a better experience in the most critical area of the pharmacy benefit.

**Who is SaveOnSP:** SaveOnSP and Accredo work together to provide certain specialty medications to you at no cost. The SaveOnSP team works with manufacture assistance programs to eliminate your copay allowing Accredo to provide your medication to you at no cost.

**HOW IT WORKS:** SaveOnSP coordinates copay assistance between Accredo and manufacture assistance programs, facilitating the member's enrollment into the applicable program. SaveOnSP helps members participate in 300+ specialty medications in over 20 therapy classes, reducing member financial responsibility.

## ***What do I need to do to participate?***

Participation begins with enrolment into the SaveOnSP program. If you or your Dr submits an eligible Specialty medication to Accredo they will notify SaveOnSP. SaveOnSP will then reach out to you to enroll in the program. You can access the list of medications included in the program at [www.saveonsp.com/NBOE](http://www.saveonsp.com/NBOE).

If you have questions or need to call SaveOnSP, you can reach them at **1-800-683-1074**. A patient support representative will answer any questions you may have, as well assist you in the enrollment process based on the manufacturer's copay assistance requirements. **SaveOnSP is available Monday through Thursday 8:00am to 8:00pm Eastern and Friday 8:00am to 6:00pm Eastern.**
